WORD PROBLEMS: BIRTHDAY MONEY

Directions: Use the information below to fill in the chart and answer the following questions. Re-read the passage and double check your answers!!!

Eliza, Jose, Stephan, Julian and Sophia all had birthdays in the month of January. All of them received money from their family members to buy their own birthday presents. Eliza received \$65 total from her mom and dad. Jose got \$8 less than Eliza from his grandmother. Stephan was very fortunate to receive \$89 from his aunt Mary, but Julian ended up getting \$10 more than Stephan from his uncle Michael. Sophia was the luckiest kid of them all because she was given a total of \$100 more than Eliza from her big brother.
